ANIME EXPO

2019

Welcome to Anime Expo 2019!

For more than a decade, the Los Angeles Convention Center has been the hub of excitement for thousands of anime and Japanese pop-culture fans around the world! It has been our pleasure to bring Anime Expo to all of you - sharing this adventure with attendees, that represent 70+ countries, speaking countless languages, all sharing their love of the best that anime has to offer - community.

As we begin to celebrate the 28th year of Anime Expo, I am sure each of you at some point during the four-day convention, will pause to reflect and stare wide-eyed with excitement just as you did the first time you entered the Anime Expo doors. We have more fun and surprises this year as we kick-off with Pre-Show Night, and head off into a fun filled weekend. Additionally, in 2019 we are pleased to present more than 19 premieres, nearly 500+ artists, and 400+ exhibitors to entertain, engage and outright awe you.

We know that the next four days, as in the 27 years before, will prove to be an amazing experience. Be sure to download our Anime Expo Mobile App so you don't miss a moment of Anime Expo.

On behalf of all of us at The Society for the Promotion of Japanese Animation, I want to give a huge thank you to our extended community, without you, AX would not be the event that it is today - our tireless staff, our hundreds of dedicated volunteers, our amazing industry partners and generous sponsors, thank you!

Enjoy the Show!

Do you have a prop weapon for your cosplay?

Please be sure to visit a Weapons Check booth to get your prop approved prior to exploring Anime Expo.

For more info, please visit anime-expo.org/policies.

Age Restriction Policy

Purchase a badge appropriate for the child's age by the first day of attendance of Anime Expo 2019.

- Children ages 0 - 5 are free and not required to register for a badge. An optional RFID child wristband will be available to pick-up at the Registration Assistance counters on Gilbert Lindsay Plaza. In cases of emergency, the wristbands will allow a SPJA/Anime Expo representative to contact parents/guardians as needed.
- Children ages 6 - 13 must purchase a child badge for \$35 (4-Day badge).
- Children ages 14+ must purchase a 4-Day or 1-Day general attendee badge.

Attendees age 13 years old and under must be accompanied by a parent or guardian over the age of 18 for the duration of their time at the event. Attendees under the age of 18 must be accompanied by an adult to pick up their badge. We recommend attendees ages 14-17 have a parent or guardian close by for the duration of the event.

Any programming designated 18+ will require attendees to show a valid government issued photo ID in order to get an 18+ wristband at any Info Services booth in order to gain admittance. Please see our program room policies for more information.

Cancellation Policy

By registering for a paid or complimentary Anime Expo badge you agree not to sell, trade, transfer or share your comp code, email confirmation, or badge. In the event that The Society for the Promotion of Japanese Animation (SPJA) determines that you have violated this policy, SPJA has the right to cancel your badge(s) and keep any money paid by you. Confirmations and/or badges that have been sold or provided by anyone other than SPJA will not be honored by SPJA.

You must wear and display your badge at all times while onsite during Anime Expo. All badges are the property of SPJA and must be relinquished to SPJA upon request. Anime Expo reserves the right to refuse admission, to refuse service and/or to cancel/revoke your badge at Anime Expo's discretion.

You must register an individual name for each badge and that each name must match a legal photo ID. If SPJA determines that you have purchased more than one badge in your name for any day, SPJA has the right to cancel your duplicate badge(s) and issue you a refund less the processing fee.

OCTOBER 3-6, 2019 | HUDSON MERCANTILE | NYCC19.COM/ANIMEFEST

The Annex @ Kentia Hall

Located in Kentia Hall adjacent to Artist Alley, The Annex features cutting-edge fashion and art. The Annex is a place to discover something new, something edgy, something fun and exciting.

Featured Artists

Shinnosuke Uchida

When self-taught artist Shinnosuke Uchida first presented her work to her favorite manga publisher, they rejected her retro style. Though broken-hearted, not only didn't she give up, she went big by becoming the world's only wall-manga live paint artist. Since then she has been invited outside Japan to live paint in Spain, Russia, Italy, Germany and now for the first time in the U.S. at Anime Expo. In partnership with Tokyo Direct (Japanese pop artist collaborators), Uchida will live paint and sell her original T-shirts, designs and other goods.

Jared Yamahata

Jared Yamahata is an artist and illustrator living in Pasadena. Jared often uses pop culture references and graphic design to create fun and witty images. His style has allowed him the privilege to work with such as brands as FOX Sports and FORBES Spain. In addition to freelance illustration, Jared also loves participating in local communities and organizations to develop public artwork, most recently Sustainable Little Tokyo's "Windows of Little Tokyo" and Nisei Week. Anime Expo 2019 is Jared's first year working with the convention and he is very excited to share the community's passion for anime.

Portfolio Review Participants

Anime Expo is once again proud to provide aspiring anime artists with a venue to gather, learn, and gain feedback on their artwork from industry professionals as it is important that artists have a friendly, encouraging environment with which to enjoy all aspects of anime.

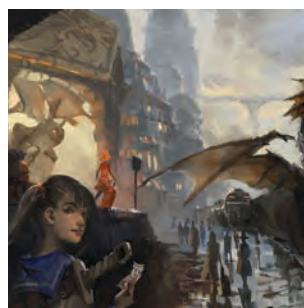

This year, we're pleased to welcome animation industry professionals **Will Feng** (producer), **Ashley Armstrong** (storyboard artist/ animator), and **Rachel Long** (storyboard artist/animator), along with **Fawn Lau**, Executive Editor for VIZ Originals, and **Ruwen Liu** of Sizigi Studios (Artist Alley Table A47).

Digital Influencers

Anime Expo strongly supports the idea of channeling one's interests and passions into something creative, and digital content is one way to do so! The Digital Influencer Program was created in 2015 with the goal of inviting digital content creators who embody AX's mission and positively promote Japanese animation and pop-culture within the online anime fandom. These content creators are invited to share their work, talk about how they became content creators, and create fun content while at Anime Expo.
